

MONTEPERLE

2019 Reserve Cabernet Sauvignon

BAROSSA VALLEY

Nestled in the Lyndoch sub-region of Barossa Valley, our Reserve Cabernet Sauvignon is exclusively sourced from Block 4. The cooler microclimate allows for extended ripening, developing exceptional complexity and an exotic character. With just 4,000 bottles crafted annually, this single-block wine represents a unique expression of Barossa Cabernet, destined to mature magnificently while showcasing the distinctive terroir of southern Barossa.

VINTAGE CONDITION

Barossa's 2019 wines will be sought out early, following the lowest yielding but possibly the highest quality vintage of the past decade. After a very dry winter and spring, frost disrupted budburst and flowering. This was followed by hot, very dry conditions with 11 days over 35°C in January. The lower yields will result with great colour, intense flavours and firm tannin structure.

TASTING NOTE

Purple with Ruby red hues, the bouquet is classic Cabernet Sauvignon, showing complex leafy blackcurrant fruit, herbal notes with tobacco, and dark chocolate highlights from the new French oak. The palate is long and structured, the hallmark of this variety, with blackcurrant fruit, hints of tobacco, with a sinewy tannin backbone. The great acidity and oak play a supporting role in tying all this together. This wine is built to age gracefully.
