

MONTEPERLE

2019 Reserve Mataro

BAROSSA VALLEY

Drawn from a single barrel in Block 1, our Reserve Mataro is produced only in outstanding years, when the vineyard reveals something truly special. This deeply expressive wine speaks in earthy tones, layered with spice, meatiness, and gentle restraint. Crafted originally for the owner's personal cellar, just 300 bottles are released, offering a powerful yet elegant take on Mataro. Its savoury depth pairs beautifully with roast duck or game-driven cuisine.

VINTAGE CONDITION

Barossa's 2019 wines will be sought out early, following the lowest yielding but possibly the highest quality vintage of the past decade. After a very dry winter and spring, frost disrupted budburst and flowering. This was followed by hot, very dry conditions with 11 days over 35°C in January. The lower yields will result with great colour, intense flavours and firm tannin structure.

TASTING NOTE

Deep black/red in colour, it has pronounced blueberry, plum, spice and typical meaty aromas with coffee notes. The medium to full bodied palate is rich, complex, and supple, with blueberry, plum and savoury fruit flavours hints of smoky coffee bean and vanilla. Soft powdery tannins give a velvety mid palate texture and compliment the long finish with a persistence of plums and spices.
