

MONTEPERLE

2020 Grenache Shiraz Mataro

BAROSSA VALLEY

Nestled in the prestigious Lyndoch sub-region, Monteperle Vineyard crafts an exceptional GSM that speaks of its distinguished terroir. This age-worthy, single-vineyard blend harmoniously weaves together Grenache, Shiraz, and Mataro from our finest blocks. Each variety contributes its unique charm - from Grenache's elegance to Shiraz's depth and Mataro's complexity - creating a wine that perfectly captures the essence of southern Barossa.

VINTAGE CONDITION

Despite challenging growing conditions in 2020, the vintage in Monteperle Vineyard shows promising results. While yields were generally below average, the concentration of the wines is exceptional, particularly for Shiraz and Grenache, which exhibit outstanding flavours and colours. Late January and February brought some relief with cooler temperatures and rain, allowing for better grape ripening and resulting in a vintage that, although smaller in quantity, is notable for its high quality.

TASTING NOTE

Deep ruby red in colour, the nose has raspberry, cherry and blueberry fruits, with hints of pepper, spices and smokey vanilla aromas. The palate is rich and full bodied with spicy mixed berries. Fine tannins and gentle acidity give structure, length and persistence.

VARIETY 52.8% Grenache
37.4% Shiraz
9.8% Mataro

ALCOHOL 15.3%

PH 3.60

ACIDITY 5.60 g/L

MATURATION 12 months in 12%
new French and
American oak

PEAK DRINK 2025 - 2035
