

MONTEPERLE

2020 Reserve Cabernet Sauvignon

BAROSSA VALLEY

Nestled in the Lyndoch sub-region of Barossa Valley, our Reserve Cabernet Sauvignon is exclusively sourced from Block 4. The cooler microclimate allows for extended ripening, developing exceptional complexity and an exotic character. With just 4,000 bottles crafted annually, this single-block wine represents a unique expression of Barossa Cabernet, destined to mature magnificently while showcasing the distinctive terroir of southern Barossa.

VINTAGE CONDITION

Despite challenging growing conditions in 2020, the vintage in Monterperle Vineyard shows promising results. While yields were generally below average, the concentration of the wines is exceptional, particularly for Shiraz and Grenache, which exhibit outstanding flavours and colours. Late January and February brought some relief with cooler temperatures and rain, allowing for better grape ripening and resulting in a vintage that, although smaller in quantity, is notable for its high quality.

TASTING NOTE

Ruby red in colour, complex herbal notes, tobacco and cigar with hints of vanilla. The palate is long and structured, the hallmark of this variety, with blackcurrant, tea leaf, firm grape tannins and a sinewy backbone. This wine is built to age gracefully.
