

MONTEPERLE

2020 Reserve Grenache

BAROSSA VALLEY

Bathed in Australian sunshine, our Reserve Grenache springs from singular soil, carefully tended by knowing hands. One barrel alone earns its place in the owner's private collection—each drop a poetic dialogue between land and legacy. Released only when nature grants perfection, these 300 rare bottles embody Monteperle's pinnacle expression.

VINTAGE CONDITION

Despite challenging growing conditions in 2020, the vintage in Monteperle Vineyard shows promising results. While yields were generally below average, the concentration of the wines is exceptional, particularly for Shiraz and Grenache, which exhibit outstanding flavours and colours. Late January and February brought some relief with cooler temperatures and rain, allowing for better grape ripening and resulting in a vintage that, although smaller in quantity, is notable for its high quality.

TASTING NOTE

Ruby red in colour, the wine has a bouquet of raspberry and cherry fruits, with mocha notes. The medium bodied palate shows concentrated red berry fruits, hints of vanilla and creamy fine-grained tannins.

VARIETY 100% Grenache,
Single block 3,
Single barrel

ALCOHOL 15.7%

PH

ACIDITY

MATURATION 24 months in new
and seasoned French
oak
