

MONTEPERLE

2021 Reserve Cabernet Sauvignon

BAROSSA VALLEY

Nestled in the Lyndoch sub-region of Barossa Valley, our Reserve Cabernet Sauvignon is exclusively sourced from Block 4. The cooler microclimate allows for extended ripening, developing exceptional complexity and an exotic character. With just 4,000 bottles crafted annually, this single-block wine represents a unique expression of Barossa Cabernet, destined to mature magnificently while showcasing the distinctive terroir of southern Barossa.

VINTAGE CONDITION

The 2021 Barossa Valley vintage benefited from favourable conditions, marking an improvement after two dry years. Increased rainfall, mild summer temperatures, and optimal January ripening conditions enhanced grape development. Beneficial weather during flowering and early February aided bunch setting and berry growth. An extended harvest period due to a dry Indian summer resulted in exceptional quality wines across varieties and styles. All these factors have made 2021 a standout vintage for Monteperle wines.

TASTING NOTE

Lovely deep ruby colour. Lifted blackcurrant, red capsicum and tobacco leaf aromas that say Cabernet. The muscular palate has similar characters to the nose with a long sinewy tannin backbone that will benefit from age.
