

MONTEPERLE

2021 Reserve Grenache

BAROSSA VALLEY

Bathed in Australian sunshine, our Reserve Grenache springs from singular soil, carefully tended by knowing hands. One barrel alone earns its place in the owner's private collection—each drop a poetic dialogue between land and legacy. Released only when nature grants perfection, these 300 rare bottles embody Monteperle's pinnacle expression.

VINTAGE CONDITION

The 2021 Barossa Valley vintage benefited from favourable conditions, marking an improvement after two dry years. Increased rainfall, mild summer temperatures, and optimal January ripening conditions enhanced grape development. Beneficial weather during flowering and early February aided bunch setting and berry growth. An extended harvest period due to a dry Indian summer resulted in exceptional quality wines across varieties and styles. All these factors have made 2021 a standout vintage for Monteperle wines.

TASTING NOTE

Ruby red in colour, the wine has a bouquet of cherry, raspberry, spice, and pepper. The palate shows red berry fruits, and a texture of creamy fine-grained tannins.

VARIETY 100% Grenache,
Single block 3,
Single barrel

ALCOHOL 15.5%

PH

ACIDITY

MATURATION 24 months in new
and seasoned French
oak

PEAK DRINK 2025 - 2040
