

MONTEPERLE

2021 Reserve Mataro

BAROSSA VALLEY

Drawn from a single barrel in Block 1, our Reserve Mataro is produced only in outstanding years, when the vineyard reveals something truly special. This deeply expressive wine speaks in earthy tones, layered with spice, meatiness, and gentle restraint. Crafted originally for the owner's personal cellar, just 300 bottles are released, offering a powerful yet elegant take on Mataro. Its savoury depth pairs beautifully with roast duck or game-driven cuisine.

VINTAGE CONDITION

The 2021 Barossa Valley vintage benefited from favourable conditions, marking an improvement after two dry years. Increased rainfall, mild summer temperatures, and optimal January ripening conditions enhanced grape development. Beneficial weather during flowering and early February aided bunch setting and berry growth. An extended harvest period due to a dry Indian summer resulted in exceptional quality wines across varieties and styles. All these factors have made 2021 a standout vintage for Monterperle wines.

TASTING NOTE

Dark ruby red in colour, with aromas of blueberry, violets, and typical meaty notes. Flavours of black fruits and salted plum dominate the palate, with a lovely savoury finish. A delicious accompaniment to any occasion.

VARIETY 100% Mataro,
Single block 1,
Single barrel

ALCOHOL 14.3%

PH

ACIDITY

MATURATION 24 months in new
and seasoned French
oak
