

MONTEPERLE

2021 Vineyard Selection Shiraz

BAROSSA VALLEY

Nestled in the Lyndoch sub-region of Barossa Valley, our Vineyard Selection Shiraz artfully harmonises fruit from distinct blocks. Block 7's heavy red clay loam delivers power and structure, while Block 5's sandy clay loam contributes vibrant fruit intensity. Through cool fermentation and carefully timed cap pumping, this natural interplay of terroirs crafts an enchanting Barossa Shiraz, celebrating the diversity within our single vineyard.

VINTAGE CONDITION

The 2021 Barossa Valley vintage benefited from favourable conditions, marking an improvement after two dry years. Increased rainfall, mild summer temperatures, and optimal January ripening conditions enhanced grape development. Beneficial weather during flowering and early February aided bunch setting and berry growth. An extended harvest period due to a dry Indian summer resulted in exceptional quality wines across varieties and styles. All these factors have made 2021 a standout vintage for Monterperle wines.

TASTING NOTE

The colour is deep ruby red, with black hues. The nose is showing cherry, blackberry, blueberry, and some blood plum. Underlying roasted coffee beans and spice from the oak add an extra layer of complexity. The palate has cherry and black fruits on entry, with ironstone, earthy notes, and coffee bean as through the middle and finish. Powdery yet supple earthy tannins give the wine a lovely full bodied luxury mouthfeel, and complexity, with a long persisting finish. After decanting for one hour the blackberry fruits become more dominant.

VARIETY 100% Shiraz

ALCOHOL 15.1%

PH 3.62

ACIDITY 6.2 g/L

MATURATION 15 months in 18%
new French and
American oak

PEAK DRINK 2024 - 2039

703 / Level 7, 431-439 King William Street Adelaide SA 5000
74 Gods Hill Road Lyndoch SA 5351
