

MONTEPERLE

2019 Reserve Grenache

BAROSSA VALLEY

Bathed in Australian sunshine, our Reserve Grenache springs from singular soil, carefully tended by knowing hands. One barrel alone earns its place in the owner's private collection—each drop a poetic dialogue between land and legacy. Released only when nature grants perfection, these 300 rare bottles embody Monterperle's pinnacle expression.

VINTAGE CONDITION

Barossa's 2019 wines will be sought out early, following the lowest yielding but possibly the highest quality vintage of the past decade. After a very dry winter and spring, frost disrupted budburst and flowering. This was followed by hot, very dry conditions with 11 days over 35°C in January. The lower yields will result with great colour, intense flavours and firm tannin structure.

TASTING NOTE

Ruby red in colour, the wine has a bouquet of raspberry and cherry fruits, supported by the lifted aromas of the French oak. The medium bodied palate shows vibrant cherry and raspberry fruits, hints of vanilla and a creamy texture from the fine-grained tannins from the grapes and the French oak.
