

MONTEPERLE

2022 Grenache Shiraz Mataro

BAROSSA VALLEY

Nestled in the prestigious Lyndoch sub-region, Monteperle Vineyard crafts an exceptional GSM that speaks of its distinguished terroir. This age-worthy, single-vineyard blend harmoniously weaves together Grenache, Shiraz, and Mataro from our finest blocks. Each variety contributes its unique charm - from Grenache's elegance to Shiraz's depth and Mataro's complexity - creating a wine that perfectly captures the essence of southern Barossa.

VINTAGE CONDITION

The 2022 vintage at Monteperle Vineyard showed remarkable resilience amid regional challenges. While frost and hail damaged much of Barossa Valley, Monteperle was protected by its early bud burst timing. The vineyard benefited from good winter rainfall, mild temperatures, and effective disease management. These conditions, along with a gradual ripening period without extreme heat, created excellent fruit development. The harvest yielded outstanding grapes, producing wines with distinctive character and complexity that highlight this vintage's unique qualities.

TASTING NOTE

Deep ruby red in colour with aromas of bay leaf, eucalypt, blueberry fruits, black pepper, spice, and vanilla notes. The palate is rich and full bodied with blueberry, cherry, and coffee bean notes. Fine tannins and gentle acidity provide structure, length, and persistence.

VARIETY 51% Grenache
27% Shiraz
22% Mataro

ALCOHOL 15.3%

PH

ACIDITY

MATURATION 11 months in
seasoned French and
American oak
