MONTEPERLE 2022 Reserve Shiraz

BAROSSA VALLEY

Nestled in the Lyndoch sub-region of Barossa Valley, our Reserve Shiraz is exclusively sourced from the prestigious Block 6, where the coveted Terra Rossa soils yield fruit of depth, length and strength. This award-winning, single-block wine represents the pinnacle of our vineyard, crafted to showcase the power and finesse that has made Barossa Shiraz legendary. Built for longevity, it's a profound expression of this remarkable terroir.

The 2022 vintage at Monteperle Vineyard showed remarkable resilience amid regional challenges. While frost and hail damaged much of Barossa Valley, Monteperle was protected by its early bud burst timing. The vineyard benefited from good winter rainfall, mild temperatures, and effective disease management. These conditions, along with a gradual ripening period without extreme heat, created excellent fruit development. The harvest yielded outstanding grapes, producing wines with distinctive character and complexity that highlight this vintage's unique qualities.

TASTING

Deep black in colour, the nose reveals ground coffee bean, blackberry, bramble, black fruit, spices, and pepper. The palate offers deep spiced plum fruits, chocolate, and rich melt in the mouth tannins finish with great length.
